MEMORANDUM FOR: National Intelligence Officer  
for China

SUBJECT : Draft of China Key Intelligence  
Questions Proposed for FY 1976

*Jim*

1. Our memorandum dated 30 June 1975 suggested some changes to the proposed draft KIQs for FY 76. Herein we suggest an additional change under Chinese Military Capabilities.

What are the PRC's plans for building a modern, blue-water navy and what constraints are governing progress toward these goals?

2. We apologize for the belated nature of this response.
